RESPONSE TO EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

In the Notice of Allowance documents mailed on November 7, 2005 and on January 3, 2006, the Examiner provided his Statement of Reasons for Allowance. The applicants note that the language used in his Statement does not precisely track the language in the claims. Moreover, the applicants note that there may be additional and/or different reasons as to why the claims are allowable. Accordingly, the claims are not to be limited by the specific language used by the Examiner in his Statement.

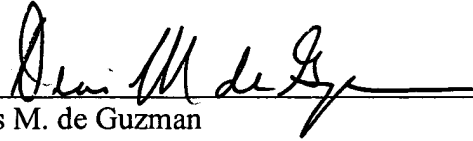

The applicants further note that the Supplemental Notice of Allowability mailed on January 3, 2006 was responsive to the applicants' communication (amendment) filed via

Application No. 10/765,767
Comments on Statement of Reasons for Allowance

facsimile on December 23, 2005. Accordingly, the applicants believe that the claims as amended in the December 23 communication are the allowed claims that will issue in the patent.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
